

RaceApp.net Horizontal Field Event Template

Event: _____

Instructions:

- Be sure to record the athlete's participation **number** (wristband, bib, etc).
- Fill in the 'Best' column **after** the athlete has made all their attempts.
- Write as **neatly** as possible so the app can scan it in cleanly.
- Use the distance format "Feet-Inches" - for example: **14-6.5**
